10 great reasons to choose

Napa Valley College, a California Community College, offers a wide range of Associate Degrees. A full-time student can earn the required 60 units in two years. Students who may be working or have family responsibilities can attend part-time and may take longer to complete the degree. Most of our Associate of Arts degree (AA), all of our Associate Degrees for transfer (AD-T) and a few of our Associate of Science Degrees (AS) and certificates are designed for those who plan to transfer to four-year institutions. Most of our Associate of Science degrees (AS) and certificates have a career technical focus and prepare students to enter the workforce in areas such as Health Occupations, Criminal Justice and various technical fields.
